Message from the President

Congratulations!

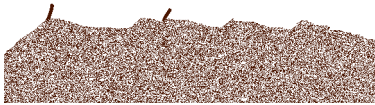

You completed your program and graduated from Douglas College. Your hard work, perseverance and commitment have paid off. It's time to celebrate, take pride in your accomplishments and appreciate the support you've received along the way.

Graduation is one of my favourite times of year. Although I've participated in hundreds of convocation ceremonies, each one is truly special. The cheers and tears from the audience always remind me of what an important milestone the day is for all of us. From faculty, friends and families to support staff, administrators and many others, we are all so very proud of you.

These days, more than ever, I am also reminded of the vital importance post-secondary education plays in building a better society. Our vision is to graduate resilient global citizens, with the knowledge and skills needed to adapt, innovate and lead in a changing world. I hope you feel that your time at Douglas has prepared you to do just that, and to give back in whatever way you can to make the world a better place.

Looking ahead, some of you may be transitioning directly into a career. Some of you may be moving on to further studies. Just know that you will always have a home here. You are now a Douglas College alum. You are part of a very special community, and we will be watching with pride as you set out to achieve your dreams.

Enjoy this moment. You've earned it.

Dr. Kathy Denton, President
Douglas College
